

Ontario Championships - Oshawa, ON June 2-3, 2023

OGC acro was well represented at the 2023 Ontario Championships for Trampoline and Acrobatic Gymnastics, Aerobic Gymnastics Invitational, and Ontario Gymnaestrada. It was exciting to see a variety of gymnastics disciplines in one location. It was also a wonderful experience to have our very own Don Holmes award medals during the award ceremonies to the medalists! Congratulations to these OGC acro athletes who continue to make us proud!
