

Start of the competitive season November 2023
OGC Acro goes to Colombia

And so the new competitive season begins! OGC is sending 18 athletes to Ibaguè, Colombia in December 2023. Some are representing Canada at the Pan American Acrobatic Age Group Championships and some are representing Oakville Gymnastics at the Pan American Acrobatic Club Cup. For some of the athletes it will be their first time competing internationally and for Team Canada. **There will be a dry run of all of the routines on Saturday, November 25 at OGC starting at 5pm.** Everyone is welcome to come out, watch, cheer them on and wish them well!

We hope there will be a live stream of this year's event and we'll be able to post a link
