

# Inclement Weather Policy

During storms and inclement weather every effort is made to ensure that town owned facilities remain open for as long as possible as is safely possible. On rare occasions severe weather may cause town facilities to close. Oakville Gymnastics Club will also remain open in alignment with the town policy.

Our social media and website will be updated with cancellation information, if possible attempts will be made to inform participants via email.

***Unfortunately we do not offer make up classes, credits or refunds for any reason including weather related cancellations, or unforeseen circumstances (i.e. power outages).***
