ONLINE REGISTRATION

OGC takes online registration for all recreational programs and camps. Registration start dates are posted throughout the Club, and on our website. Please visit www.oakvillegym.com for more information.

OUR CLUB

Our classes provide children with a program that teaches them to move their bodies in new ways while learning to improve balance, flexibility, coordination and gross motor skills. Gymnastics is fun, safe, and enhances fitness and confidence.

Our Coaches receive specialized training in working with children in gymnastics and are governed by the professional standards of the Coaching Association of Canada. They are trained through the National Coaching Certification Program.
